Business Summary

Established in 1993 as a full-service digital copy center, over the past 25+ years we have built relationships and become the preferred printer for many Tri-Cities businesses and local residents. Digital Image Tri-Cities is proud to be locally owned and operated, earning customer loyalty with our personal service and outstanding production of graphic prints and documents. Our highly trained and professional staff are eager to help and willing to go the extra mile.

We maintain a high-tech print facility with the latest digital printers, copiers, and equipment. Our systems are regularly updated to ensure that we provide the most current products and services in the industry. Digital Image Tri-Cities also prints on eco-conscious materials and inks, reducing our “footprint” on the world.
